Leadership Summit: Holy Discontent
(Bill Hybels)

WARM UP:

Who is the most effective leader that you know? What makes him/her effective?

Looking back at your notes from this weekend's message, was there anything that particularly caught your attention, challenged you or confused you?

DIG IN:

Read Exodus 2:11-15.

What was Moses' holy discontent?

What should Moses have done instead of reacting violently to the injustice that upset him?

When you recognize an injustice, why is it so easy to be overwhelmed and discouraged about the difference one person can make?

How does the rest of Moses' story give you hope regarding how God can use one person mightily?

Read I Samuel 17:32-37.

What was David's holy discontent?

How did David's life experience and expertise contribute toward his success against the giant?

What experiences and skills could contribute toward you making a difference in your area of holy discontent?

Read Nehemiah 1:1-4.

What was Nehemiah's holy discontent?

What can we learn from Nehemiah's initial response to the news about the Jewish remnant and Jerusalem?

How could identifying your holy discontent transform your prayer life? How could it affect your priorities for life and ministry?

Digging Deeper: There is a great summary of Bill Hybels' book, *Holy Discontent*, online at www.christianbooksummaries.com/library/v3/cbs0344.pdf

LIVE OUT:

What issue stirs up passion in you? Why does this issue affect you at your core?

What are your fears about making a difference in your area of holy discontent?

What are some baby steps you could take toward feeding your holy discontent?

Pray for each other, that you will listen to the Holy Spirit's promptings and identify a holy discontent. Pray for God to reveal to you next steps for ministry in that area. Prayerfully consider attending The Global Leadership Summit this summer (August 5-6) at KCC.
